

Drought-Smart Chimps Know

Rainforest chimpanzees

Learn

Water-smartness,

Uganda savanna

Female chimp

Teaches others

Water hole

Digging technique.

Learned behaviour

Survival key.

Hello

Homo sapiens,

Anyone HOME?

Stop fracking
And polluting
Water forever!
Water is life.
Life is water.

Since chimps
Know
Droughts worsening,
Will human
Civilisation
Follow
Other clever hominids?
Or
Thirst by death!
