

Agonising RoundUp

Blest filtration,
Tiny glomeruli,
Each minute
Half cup purified,
Pressure keepers
Breathtaking balancers:
Water, salts, minerals.
Two bean-shaped
Knightly kidneys!

Global South prevalence
Rural communities
Chronic kidney disease:
Fatigue
Panting
Nausea
Anorexia
Anemia
Excruciating pain
Glomeruli failure
Blood waste poisoning,
Death.

10/11 : PRATT SCHOOL OF ENGINEERING

**Roundup Ingredient
Connected to Epidemic Levels
of Chronic Kidney Disease**

Water Poisoning
Duke University
Herbicide RoundUp,
Trace metals,
Magnesium, calcium
Poison metal binders,
Seven-year-water persistence
Twenty-two soil years,
Unwell water.

World Health Organisation
“Probably carcinogenic to humans”,
This very minute
Disallow RoundUp!
