

DRAX, Old-Growth Destroyers

Obstructing lungs,
Fading heartbeat,
Undoing meaning!
Subsidised slaughter,
Diabolical evilness,
UK's DRAX.

Venal lawmakers,
British Columbia's (BC) epitaph:
Say one thing,
And do another.

Annihilating old-growth,
Economically likened,
Burning van Gogh's
The Starry Night
To cook meal.
Preposterous!

Twenty twenty-three,
DRAX chipp'd
Forty thousand unreplaceable tonnes
Sacrosanct BC old-growth,
Wood pellet mountains,
North Yorkshire UK death furnaces.
Planet lovers
Winning team,
Hokahey!
