

Jimmy Pattison, timber baron, coal king, fisheries fiend

Planet Plunderer, Jimmy Pattison

Used car sales
Porno distributor,
Pious fundamentalist,
Crystal Cathedral supporter
Funding crunch,
Absent without leave.

Addictive shopping spree:
Amusement parks
Coast to coast billboards
Combustion dealerships
Hypermarket chain,
More!

Defenceless wilderness crosshairs,
Denuded British Columbia (BC)
Biggest rainforest destroyer
Chief westcoast fisheries obliterator
Busiest climate-broiling coal
exporter,
Oodles gobs billions
Mother Earth blood-money
Animals vanished,
Unmasked inhuman executioner!

Ninety-four years
Grim Reaper lurking,
“Don’t pay the ferryman”
No more deals Jimmy
Just pure fear,
Next life, vengeance!
