

## **Scurvy, Rickets, Really Australia?**

Victorian-era diseases,  
Two hundred fifty thousand  
Hungry children,  
Forty per cent families  
Food insecure,  
Bloated Commonwealth Banks!

Climate emergency,  
Fossil fuel profiteering,  
Mortgage rate spikes,  
Soaring food prices,  
Skipping meals  
Cinching belts,  
Ravenous youngsters  
Thwart'd growth plates,  
Demise of inanition.
